

Whole School Trips and Visitors Plan 2025/2026

At Cannon Park School, we believe that learning extends beyond the classroom walls. To enrich our students' experiences, we organise a variety of trips and visits throughout the year that complement our curriculum and broaden the horizons of our pupils.

We are committed to keeping costs as low as possible and aim to include only one higher-cost trip per year group. Please note that additional trips may be added during the year to take advantage of special opportunities that arise.
