Section 1: Vision Statement

Aims

Schools are required under the Equality Act 2010 to have an accessibility plan. The purpose of the plan is to:

- Increase the extent to which disabled pupils can participate in the curriculum
- Improve the physical environment of the school to enable disabled pupils to take better advantage of education, benefits, facilities and services provided
- Improve the availability of accessible information to disabled pupils

Our school aims to treat all its pupils fairly and with respect. This involves providing access and opportunities for all pupils without discrimination of any kind. The plan will be made available online on the school website, and paper copies are available upon request. Our school is also committed to ensuring staff are trained in equality issues with reference to the Equality Act 2010, including understanding disability issues. The school supports any available partnerships to develop and implement the plan. If you have any concerns relating to accessibility in school, please raise these with the school so we can support, as best as possible, any improvements. The school's complaints procedure covers the Accessibility Plan. This plan has been drawn up based upon information supplied by the Local Authority, and in conjunction with pupils, parents, staff and governors of the school and will advise other school planning documents.

Legislation and guidance

This document meets the requirements of schedule 10 of the Equality Act 2010 and the Department for Education (DfE) guidance for schools on the Equality Act 2010. The Equality Act 2010 defines an individual as disabled if he or she has a physical or mental impairment that has a 'substantial' and 'long-term' adverse effect on his or her ability to undertake normal day to day activities. Under the Special Educational Needs and Disability (SEND) Code of Practice, 'long-term' is defined as 'a year or more' and 'substantial' is defined as 'more than minor or trivial'. The definition includes sensory impairments such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy and cancer.

Schools are required to make 'reasonable adjustments' for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a disabled pupil faces in comparison with non-disabled pupils. This can include, for example, the provision of an auxiliary aid or adjustments to premises. This policy complies with our funding agreement and articles of association.

Links with other policies

This accessibility plan is linked to the following policies and documents:

- Risk assessment policy
- Health and safety policy
- Equality information and objectives (public sector equality duty) statement for publication
- Special educational needs (SEN) information report
- Supporting pupils with medical conditions policy

Training

Whole school training will recognize the need to continue raising awareness for staff and governors on equality issues with reference to the Equality Act 2010.

Plan Availability:

The school makes the Accessibility Plan available in the following ways:

- * A copy is posted on the school's website
- * Paper copies are available from the front office

Review and Evaluation:

It is required that our accessibility plan is resource, implemented, review and revised as necessary and report on annually. Below is a set of action plans showing how Cannon Park Primary School will address the priorities identified in the plan. The plan is valid for three years 2019 – 2022. It is reviewed annually.

3. Action Plan

This action plan sets out the aims of our accessibility plan in accordance with the Equality Act 2010.

Area	Current Good Practice and Targets	Actions to be taken	Person responsible	Date to complete actions by
Admissions and Participation	To improve the induction process for pupils with SEND To ensure all pupils/parents with disabilities are involved in relevant decision making	Arrange visit to feeder nursery/school before admissions. Invite parents to pre-induction visits. Collect views of the children and their parents with SEND (Special Educational Needs and Disabilities) to make sure provision is matched to their needs and to continue to find way to improve.
